Nurturing Minds, Strengthening Faith

In line with the second priority of our Parish Pastoral Plan, the parish will be commencing a Mental Health and Pastoral Care Initiative for the youth of our community. This initiative will be integrated into Sunday School classes and youth activities to support both emotional well-being and spiritual growth, as we recognise the importance of a healthy mind in nurturing a deeper faith in Christ.

Upcoming programmes will also include training for catechists and mental health talks for families. We seek the prayers and support of all parishioners as we begin this initiative
