Church and Activity Center Energy-Saving Initiative:

To be responsible stewards of the resources God has entrusted to us and to help alleviate the church's rising electricity costs, let us all lend a hand. Please turn off lights, fans, and air conditioning when leaving a room or after an event concludes. By doing so, we put into practice the spirit of cherishing resources and caring for Creation. Let us show our love for our church through concrete actions and contribute to building a better faith community
