New Book from Pope Leo Magnifica Humanitas & 2027 Daily Gospel

"Magnifica Humanitas": This is the title of Pope Leo XIV's first encyclical letter, which theme is "Safeguarding Humanity in the Age of Artificial Intelligence." As artificial intelligence rises in an age when human civilization, human dignity, and the structure of the social workforce are undergoing an evolution comparable to the Industrial Revolution, the Pope invites the faithful to make good and responsible use of new technologies in the light of the Gospel, and to embark upon the "simple, humble, yet demanding journey of Christian life." May everyone, even in the age of artificial intelligence, bear witness to "the beauty of the great humanity in which God dwells."

1. Magnifica Humanitas
 2. The 2027 Daily Gospels (Soft cover - small)
 3. The 2027 Bible Diary (Hard cover – A5)
- All the books are available at the Parish Office
